Pett-7534	Petty, Sanchez and Davis and Sons	position15	2019/11/09	Scrum-master	Artificial Intelligence	Django	3582.0	Display	Audits	Company													
Outcome	The expected results have been obtained																						
Notes																							

Use case UC05 Register as a Rookie

Description

An actor who is **not authenticated** must be able to register to the system as rookie. He or she should hit on “Register as a Rookie” button on the Welcome page. Then he or she will fill the inputs (obligatory almost) and hits on “Save” button. It will be redirected to the Login page.

Access

- Hit on “Register as a Rookie” button

Tests

Test #1	
Description	The form must be filled in with the following data: Name: NameRookie1 Surnames: SurnamesRookie1 VAT: 2567023 Email: emailrookie1@gmail.com Username: rookieusername Password: rookiepassword Confirm password: rookiepassword Accept terms and conditions Holder Name: holdername1 Make: make1 Number: 1111222233334444 Expiration Month: 12 Expiration Year: 2020 CVV: 123 Then click the “Save” button
Expected	The system must redirect to the Login page.
Outcome	The expected results have been obtained.
Notes	

Test #2	
Description	Fill the form with the same data in the Test #1. Change the username to: <script>alert('Hola Mundo')</script> . Click the “Save” button.
Expected	The system must redirect to the form and show these errors about insecure html and the size of username.  Username* t('Hola Mundo')</script> Insecure HTML Size must be from 5 to 32
Outcome	The expected results have been obtained.
Notes	

Use case UC06 Edit personal data

Description

Every **authenticated** actor must be able to edit his or her personal data. The actor should hit on “Profile” button and the hit on “Edit”. Now he or she can edit his or her data and save hitting on “Save” button.

Access

- Login as Auditor: auditor1/auditor1
- Hit on “Profile” button

A screenshot of the Acme Rookies website. At the top, there is a navigation bar with links: AUDITOR, COMPANIES LIST, POSITIONS LIST, PROVIDERS LIST, ITEMS LIST, and PROFILE (AUDITOR). Below the navigation bar, there is a language selection (en | es) and a red arrow pointing to the PROFILE (AUDITOR) link. On the left, a "Welcome!" message is displayed with the text: "Welcome to Acme Rookie! We're IT rookie's favourite job marketplace!". On the right, there is a vertical dropdown menu with options: Profile (highlighted), Messaging, Export my personal data, and Logout.

- Hit on “Edit” button

A screenshot of the "Credit Card Data" edit page. It shows the following card details:

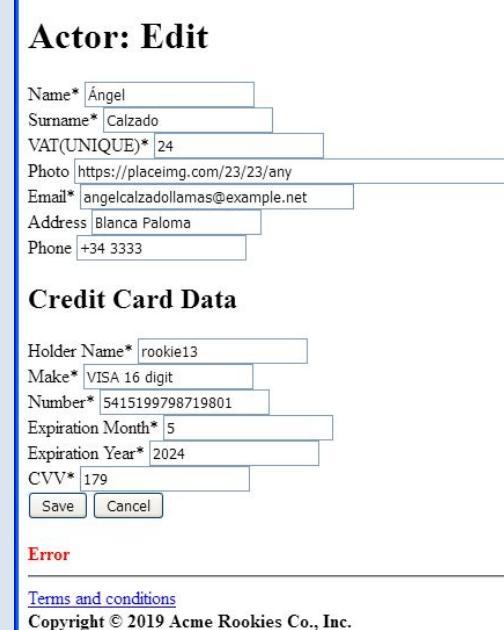

- Holder Name: rookie13
- Make: VISA 16 digit
- Number: 5415199798719801
- Expiration Month: 5
- Expiration Year: 2024
- CVV: 179

Below the card details are three buttons: Social Profile, Edit (highlighted with a red arrow), and Back. At the bottom of the page, there is a "Terms and conditions" link and a copyright notice: "Copyright © 2019 Acme Rookies Co., Inc.".

Tests

Test #1	
Description	Change the field name to: Antonio. Then click on the “Save” button.
Expected	The system must redirect to Profile name and you can see your name changed correctly.
Outcome	The expected results have been obtained.
Notes	

Test #2

Description	Click on F12 button on your keyboard to see HTML view. Then change the “id”, that you can see in the photo, to another “id” of an auditor*. Finally click “Save” button.
	
Expected	The system must redirect to same Edit page with an error like in the photo: 
Outcome	The expected results have been obtained.
Notes	*You should look for an auditor “id” in your database using MySQL Workbench. Don’t use the same id that registered Auditor.

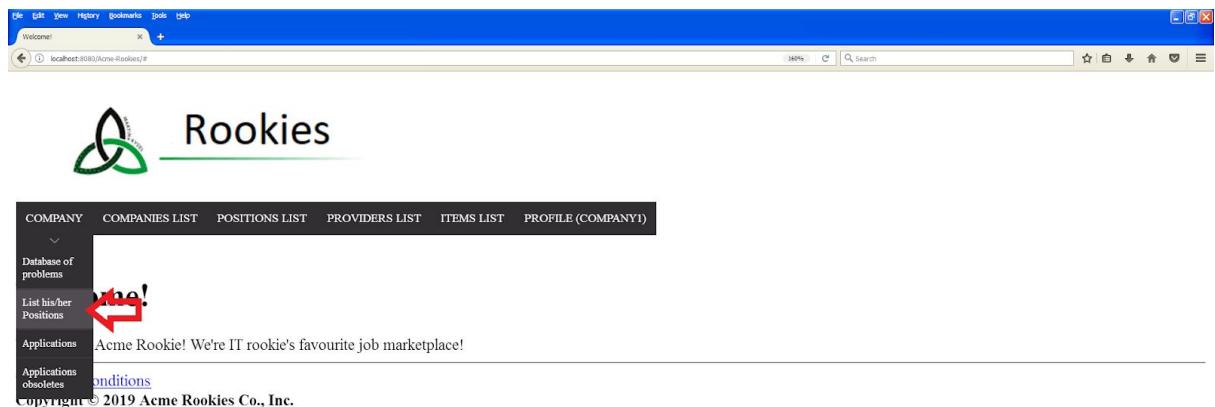

Use Case UC07 Company creates position

Description

An actor who is authenticated as a company must be able to create a position.

Access

- Login as company1/company1.
- Click on “List his/her Position” (english version) or “Lista de sus Posiciones” (spanish version).

- Click on “create” or “crear” link.

Position: List

The screenshot shows a table titled 'Position: List' with 2 items found. The table has columns: Ticker, Company, Title, Deadline, Profile, Skills, technologies, Offered Salary, Final mode, Display, and Audits. Two rows are listed:

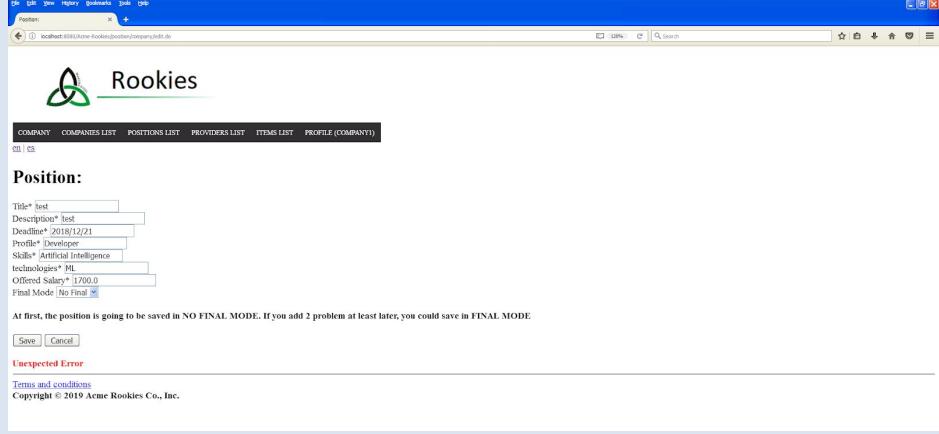

Ticker	Company	Title	Deadline	Profile	Skills	technologies	Offered Salary	Final mode	Display	Audits
Russ-1629	Russell, Skinner and Wilson PLC	position1	2021/01/12	Scrum-master	Web Development,Databases	Assembly	1328.0	Yes	Display	Audits
Russ-8985	Russell, Skinner and Wilson PLC	position2	2022/03/02	Developer	Artificial Intelligence	Kotlin	1503.0	No	Display	Audits

At the bottom left of the table, there are buttons for 'Create' and 'Back', with a red arrow pointing to the 'Create' button.

Tests

Test <#1>																																									
Description	The form must be filled in with the following data: Title : test, Description : test, Deadline : 2020/12/21, Profile : Developer, Skills : Artificial Intelligence, Technologies : ML , Offered Salary : 1700, Final Mode : No Final.																																								
Expected	<p>The system back to the list of positions and you will be able to see your new position created with the same information you filled.</p> <p>Position: List</p> <p>3 items found, displaying all items. 1</p> <table border="1"> <thead> <tr> <th>Ticker</th><th>Company</th><th>Title</th><th>Deadline</th><th>Profile</th><th>Skills</th><th>Technologies</th><th>Offered Salary</th><th>Final mode</th><th>Action</th></tr> </thead> <tbody> <tr> <td>Russ-1629</td><td>Russell, Skinner and Wilson PLC</td><td>position1</td><td>2021/01/12</td><td>Scrum-master</td><td>Web Development,Databases</td><td>Assembly</td><td>1328.0</td><td>Yes</td><td>Display Audits</td></tr> <tr> <td>Russ-8985</td><td>Russell, Skinner and Wilson PLC</td><td>position2</td><td>2022/03/02</td><td>Developer</td><td>Artificial Intelligence</td><td>Kotlin</td><td>1503.0</td><td>No</td><td>Display Audits</td></tr> <tr> <td>Russ-7903</td><td>Russell, Skinner and Wilson PLC</td><td>test</td><td>2020/12/21</td><td>Developer</td><td>Artificial Intelligence</td><td>ML</td><td>1700.0</td><td>No</td><td>Display Audits</td></tr> </tbody> </table> <p>Create Back</p>	Ticker	Company	Title	Deadline	Profile	Skills	Technologies	Offered Salary	Final mode	Action	Russ-1629	Russell, Skinner and Wilson PLC	position1	2021/01/12	Scrum-master	Web Development,Databases	Assembly	1328.0	Yes	Display Audits	Russ-8985	Russell, Skinner and Wilson PLC	position2	2022/03/02	Developer	Artificial Intelligence	Kotlin	1503.0	No	Display Audits	Russ-7903	Russell, Skinner and Wilson PLC	test	2020/12/21	Developer	Artificial Intelligence	ML	1700.0	No	Display Audits

Russ-8985	Russell, Skinner and Wilson PLC	position2	2022/03/02	Developer	Artificial Intelligence	Kotlin	1503.0	No	Display Audits																																
Russ-7903	Russell, Skinner and Wilson PLC	test	2020/12/21	Developer	Artificial Intelligence	ML	1700.0	No	Display Audits																																
Outcome	The expected results have been obtained.																																								
Notes																																									

Test <#2>

Description	The form must be filled in with the following data: Title : test, Description : test, Deadline : 2018/12/21 (past date), Profile : Developer, Skills : Artificial Intelligence, Technologies : ML , Offered Salary : 1700, Final Mode : No Final.
Expected	The system back to create form with an “Unexpected Error”. 
Outcome	The expected results have been obtained.
Notes	

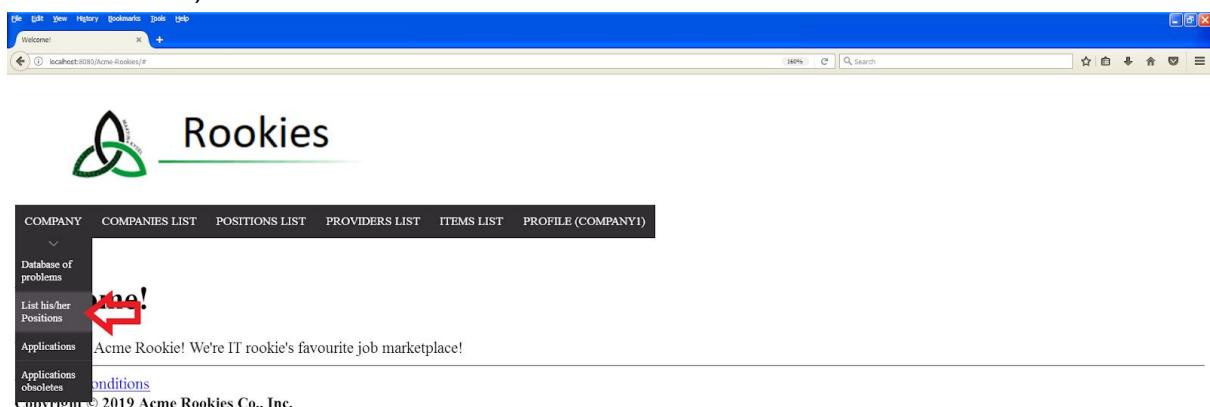

Use Case UC08 Company edits and deletes position

Description

An actor who is authenticated as a company must be able to edit and delete a position.

Access

- Login as company1/company1.
- Click on “List his/her Position” (english version) or “Lista de sus Posiciones” (spanish version).

The screenshot shows a web browser window with the title 'Welcome! localhost:8080/Acme-Rookies/'. The main content area features the 'Rookies' logo and a navigation bar with links: COMPANY, COMPANIES LIST, POSITIONS LIST, PROVIDERS LIST, ITEMS LIST, and PROFILE (COMPANY1). A sidebar on the left contains a 'Database of problems' section with three items: 'List his/her Positions' (highlighted with a red arrow), 'Applications' (highlighted with a red arrow), and 'Applications obsoletes'. Below this is a copyright notice: 'Copyright © 2019 Acme Rookies Co., Inc.'

- Click on “display” or “mostrar” link on the position with ticker Russ-8985.

Position: List

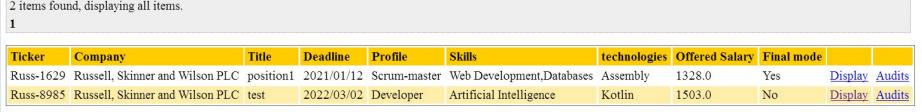

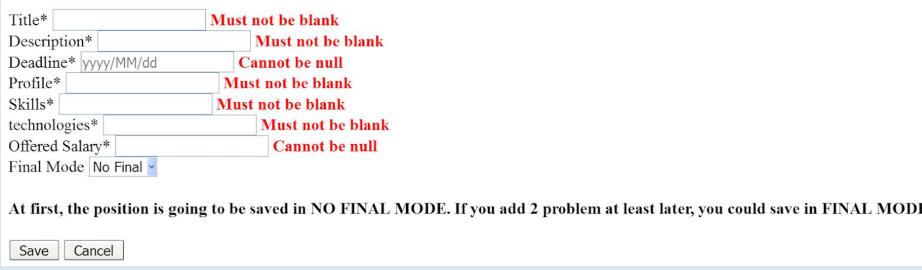

The screenshot shows a table titled 'Position: List' with 2 items found. The table has columns: Ticker, Company, Title, Deadline, Profile, Skills, technologies, Offered Salary, Final mode, Display, and Audits. The first row (Ticker: Russ-1629) has 'position1' in the Title column. The second row (Ticker: Russ-8985) has 'position2' in the Title column. Red arrows point from the 'Display' and 'Audits' buttons for the second row to the right.

Ticker	Company	Title	Deadline	Profile	Skills	technologies	Offered Salary	Final mode	Display	Audits
Russ-1629	Russell, Skinner and Wilson PLC	position1	2021/01/12	Scrum-master	Web Development,Databases	Assembly	1328.0	Yes	Display	Audit
Russ-8985	Russell, Skinner and Wilson PLC	position2	2022/03/02	Developer	Artificial Intelligence	Kotlin	1503.0	No	Display	Audit

- Click on “edit” or “editar” button.

Tests

Test <#1>	
Description	The form must be filled in with the following data: Title : test, Description : Because realize fly whom argue expert member my scientist., Deadline : 2022/03/02, Profile : Developer, Skills : Artificial Intelligence, Technologies : Kotlin, Offereded Salary : 1503.0, Final Mode : No Final.
Expected	The system back to the list of positions and you will be able to see your position edited with the same information you filled. Position: List 
Outcome	The expected results have been obtained.
Notes	

Test <#2>	
Description	The form must be filled in with the following data: Title : null, Description : null, Deadline : null, Profile : null, Skills : null, Technologies : null, Offereded Salary : null, Final Mode : No Final.
Expected	The system back to edit form with some domain errors. Position: 
Outcome	The expected results have been obtained.
Notes	

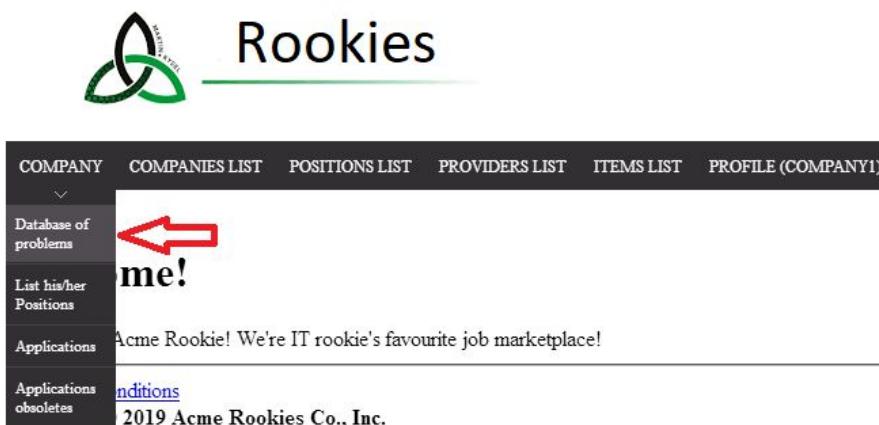

Use case UC09 Company creates a problem

Description

Every An actor who is **authenticated** as a Company must be able to create a problem. The actor should hit on “Database of problems” button to see the list of his or her problems. Then he or she should click on the “Create” button to see the form to create a problem. Finally, he or she should fill the form and click on “Save” button.

Access

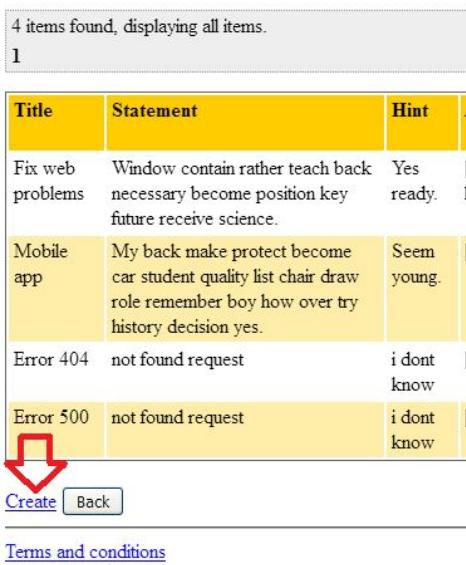

- Login as Company: company1/company1
- Hit on “Database of problems” button

The screenshot shows the Acme Rookies website. At the top is a navigation bar with links: COMPANY, COMPANIES LIST, POSITIONS LIST, PROVIDERS LIST, ITEMS LIST, and PROFILE (COMPANY). Below the navigation bar is a sidebar with a dropdown menu. The 'Database of problems' option is highlighted with a red arrow pointing to it. The main content area displays the message "Acme Rookie! We're IT rookie's favourite job marketplace!" and the copyright notice "2019 Acme Rookies Co., Inc."

- Hint on “Create” button.

Database of problems

The screenshot shows the 'Database of problems' page. It displays a table with four rows of data. The columns are Title, Statement, Hint, and Action (with a delete icon). The rows are:

Title	Statement	Hint	Action
Fix web problems	Window contain rather teach back necessary become position key future receive science.	Yes ready.	[Delete]
Mobile app	My back make protect become car student quality list chair draw role remember boy how over try history decision yes.	Seem young.	[Delete]
Error 404	not found request	i dont know	[Delete]

At the bottom of the page, there are two buttons: 'Create' and 'Back'. A red arrow points to the 'Create' button.

[Terms and conditions](#)

Error 500	not found request	i dont know	[http://www.sharp.com]	false		Display																													
Outcome	The expected results have been obtained.																																		
Notes																																			

Test #2

Description	You should write this URL when you are seeing the list of available positions to associate with the problem: localhost:8080/Acme-Rookies/problem/company/addPositionPost.do?positionId= 4578 &problemId= 4605 Change the marked Id's for an unknown number, for example: 123456 and 789101.
Expected	<p>The system must redirect you to a “Invalid URL” view.</p>  <p>The screenshot shows the Acme Rookies website's header with the logo and navigation links: COMPANY, COMPANIES LIST, POSITIONS LIST, PROVIDERS LIST, ITEMS LIST, and PROFILE (COMPANY). Below the header, a large error message "Invalid URL" is displayed. Underneath it, a smaller message says "Oops! Sorry the url you are looking for is not from our website." followed by a link "Return to the welcome page". At the bottom, there are links for "Terms and conditions" and "Copyright © 2019 Acme Rookies Co., Inc."</p>
Outcome	The expected results have been obtained.
Notes	

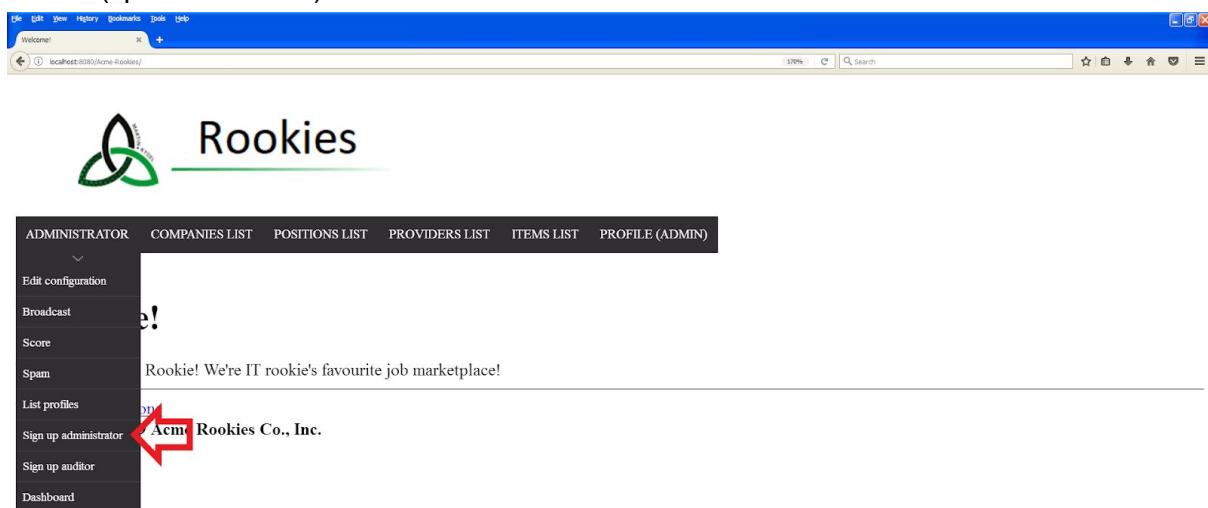

Use Case UC12 Administrator creates a new administrator

Description

An actor who is authenticated as a administrator must be able create user accounts for new administrators.

Access

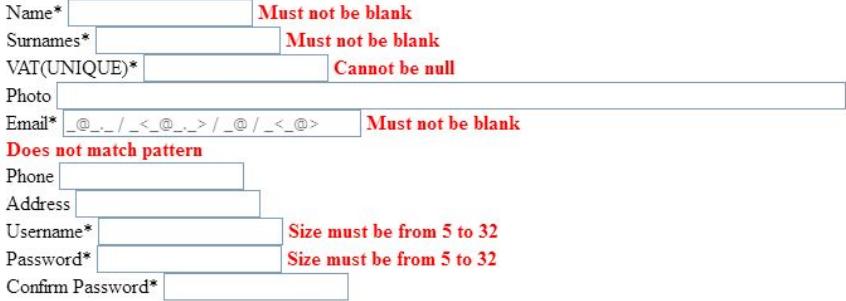

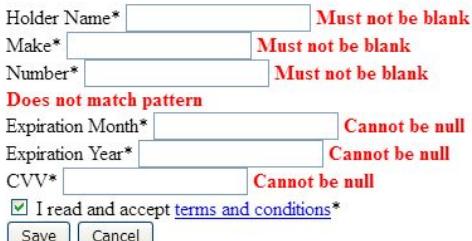

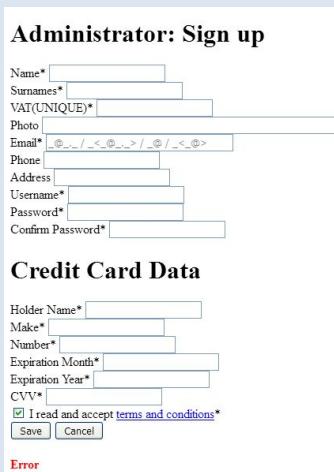

- Login as admin/admin.
- Click on “Sign up administrator” (english version) or “Registrar administrador” (spanish version).

Tests

Test <#1>	
Description	The form must be filled in with the following data: Name : Rubén Antonio, Surnames : Ramírez Rojas, VAT : 9056325, Photo : null, Email : rubantramroj@gmail.com , Phone : +34 678905413, Address : null, Username : adminTest, Password : adminTest, Confirm Password : adminTest, Holder Name : Rubén Antonio Ramírez Rojas, Make : Visa, Number : 4556737586899855, Expiration Month : 11, Expiration Year : 2021, CVV : 904, I read and accept terms and conditions .
Expected	The system back to welcome page.
Outcome	The expected results have been obtained.
Notes	It's import to repopulate the database in order to avoid repetitions in the attributes.

Test <#2>

Description	<p>The form must be filled in with the following data: Name: null, Surnames: null, VAT: null, Photo: null, Email: null, Phone: null, Address: null, Username: null, Password: null, Confirm Password: null, Holder Name: null, Make: null, Number: null, Expiration Month: null, Expiration Year: null, CVV: null, I read and accept terms and conditions.</p>
Expected	<p>The system back to create form with some domain errors.</p> <p>Administrator: Sign up</p>  <p>Credit Card Data</p> 
Outcome	<p>The system returns an “error”.</p> 
Notes	

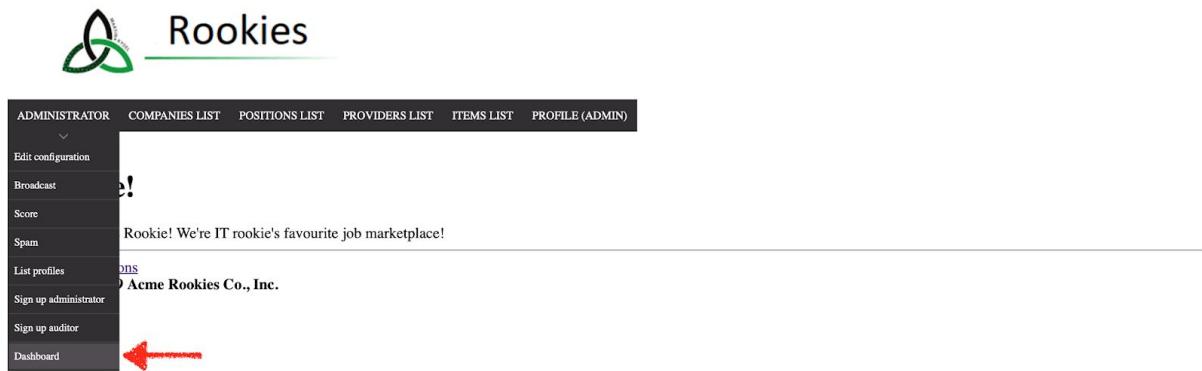

Use Case UC13 Administrator access to dashboard

Description

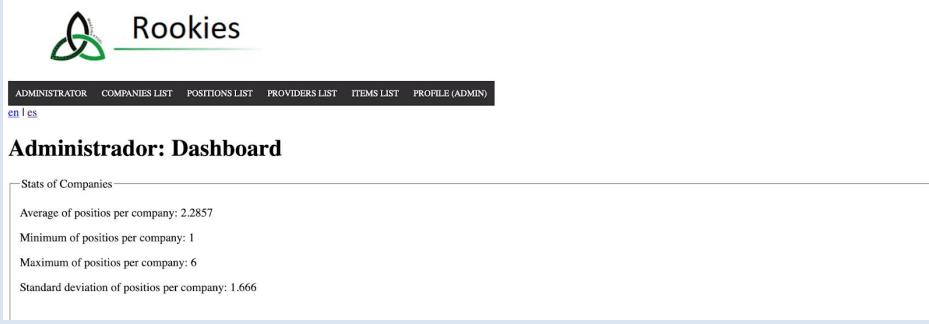

An actor who is authenticated as a administrator must be able to show a dashboard with usage statistic.

Access

- Login as admin/admin.
- Click on “Dashboard”

Tests

Test <#1>	
Description	The administrator shows the dashboard display with usage statistic of the system.
Expected	Dashboard display.  <p>The screenshot shows the 'Administrator: Dashboard' page. At the top, there's a navigation bar with links: ADMINISTRATOR, COMPANIES LIST, POSITIONS LIST, PROVIDERS LIST, ITEMS LIST, and PROFILE (ADMIN). Below the navigation, there's a language switcher with 'en cs'. The main content area is titled 'Administrador: Dashboard' and contains a section titled 'Stats of Companies' with the following data:<ul style="list-style-type: none">Average of positios per company: 2.2857Minimum of positios per company: 1Maximum of positios per company: 6Standard deviation of positios per company: 1.666</p>
Outcome	The expected results are obtained.
Notes	

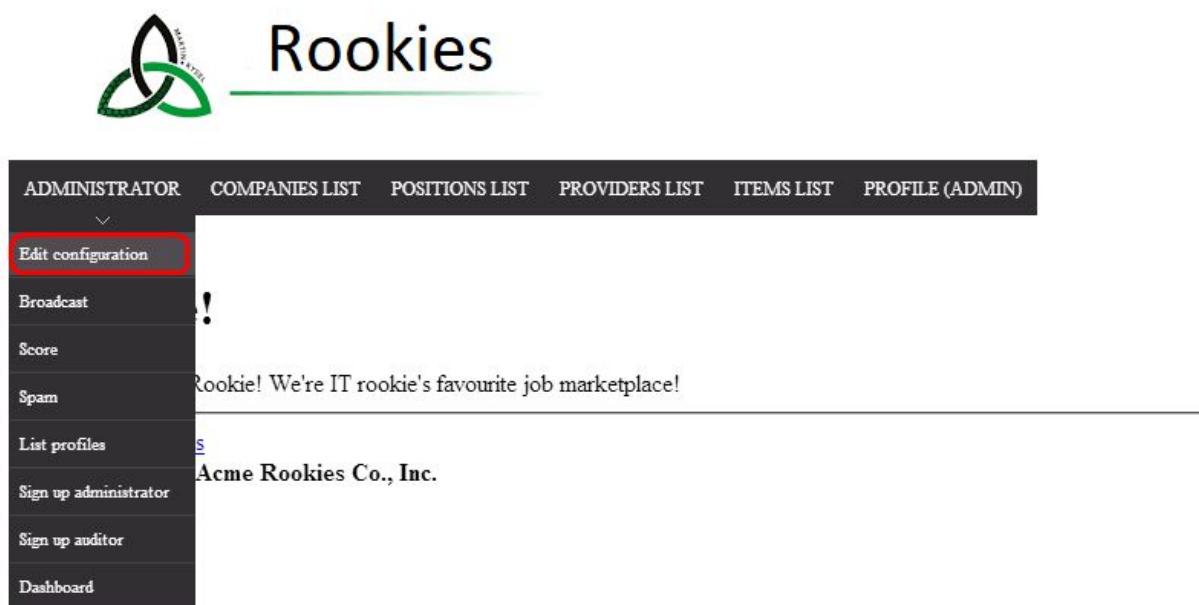

Use Case UC14 Administrator edit configuration

Description

An actor who is authenticated as an administrator must be able edit fields of configuration.

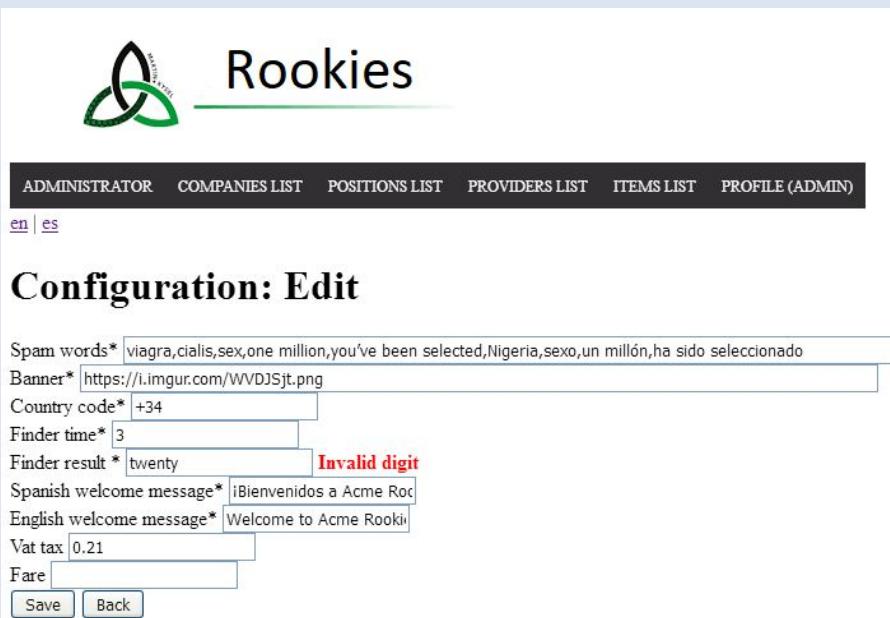

Acess

- Login as admin/admin.
- Click on “Edit configuration”

Tests

Test <#1>	
Description	When you are seeing “Edit configuration” view, change the value of Finder Time to “3”. Click the save button
Expected	The system save the new value.
Outcome	The expected results are obtained.
Notes	

Test <#2>	
Description	When you are seeing “Edit configuration” view, change the value of Finder Result to “twenty”. Click the save button
Expected	The system must show an error due to the value of digit is invalid
	 <p>The screenshot shows the Rookies configuration edit page. The 'Finder result' field contains the value 'twenty'. A red error message 'Invalid digit' is displayed next to the field. Other fields visible include 'Spam words*', 'Banner*', 'Country code*', 'Finder time*', and 'Spanish welcome message*'. Buttons for 'Save' and 'Back' are at the bottom.</p>
Outcome	The outcome matches with expected result
Notes	

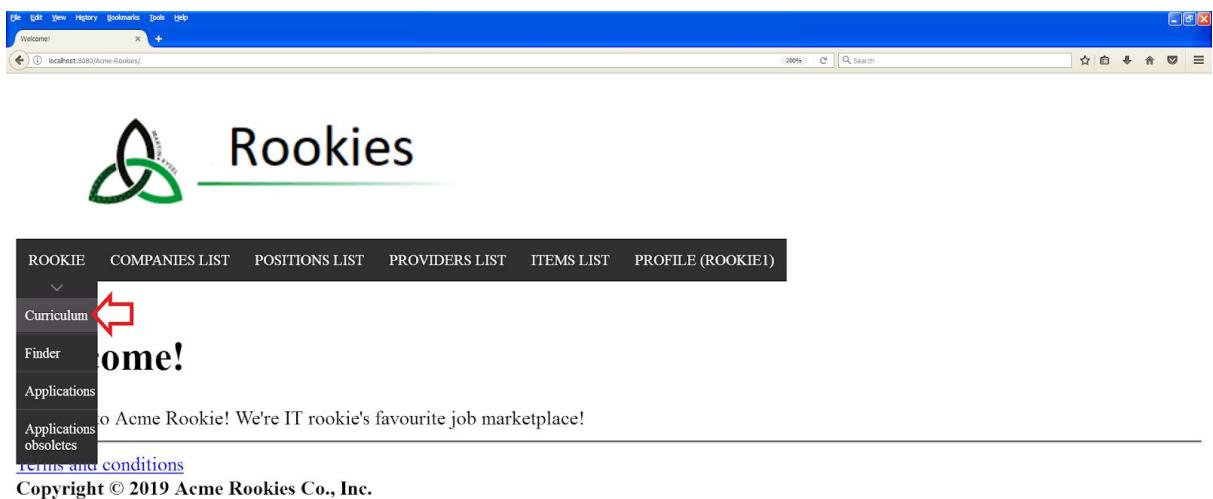

Use Case UC15 Rookie creates a curriculum

Description

An actor who is authenticated as a rookie must be able create a curriculum.

Access

- Login as rookie1/rookie1.
- Click on “Curriculum”.

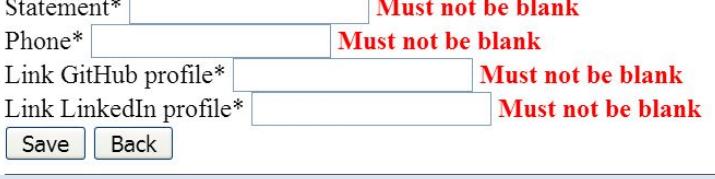

- Click on “Create” (english version) or “crear” (spanish version).

Ticker	Display

Notes																			

Test <#2>

Description	The form must be filled in with the following data: Text: test, Attachments: Esto no es un link
Expected	<p>The system back to create form with an “Invalid Url/s (Make sure it is url/s and you put a comma between them without spaces)”.</p> <p>Miscellaneous Data</p> <p>Free text* <input type="text" value="test"/></p> <p>Attachments <input type="text" value="Esto no es un link"/></p> <p><input type="button" value="Save"/> <input type="button" value="Delete"/> <input type="button" value="Back"/></p> <p>Invalid Url/s (Make sure it is url/s and you put a comma between them without spaces)</p>
Outcome	<p>The system returns “Oops! You don't have access to this resource.”, when you click on second page link.</p> <p>Oops! You don't have access to this resource.</p> <p>Return to the welcome page</p>
Notes	

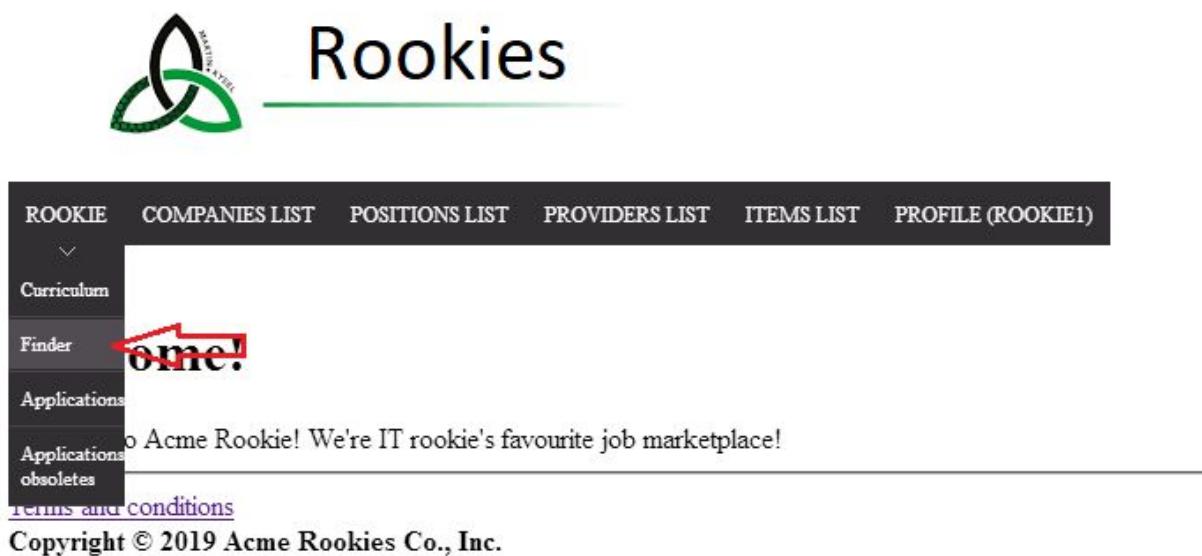

Use Case UC17 Rookie uses his/her Finder

Description

An actor who is authenticated as **rookie** hit in the Finder's button to make a new match or see the previous.

Access

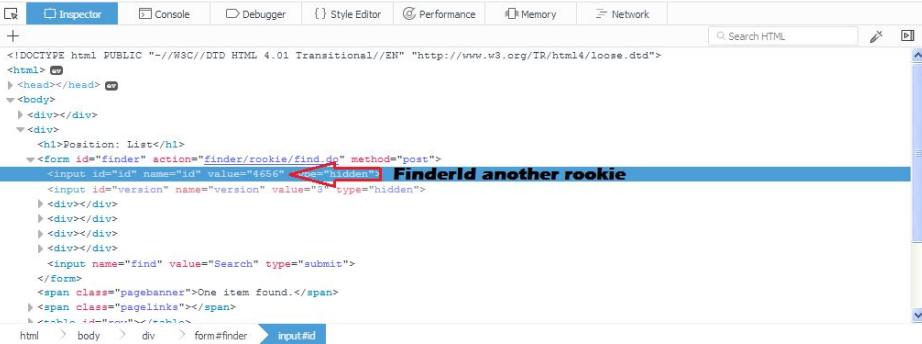

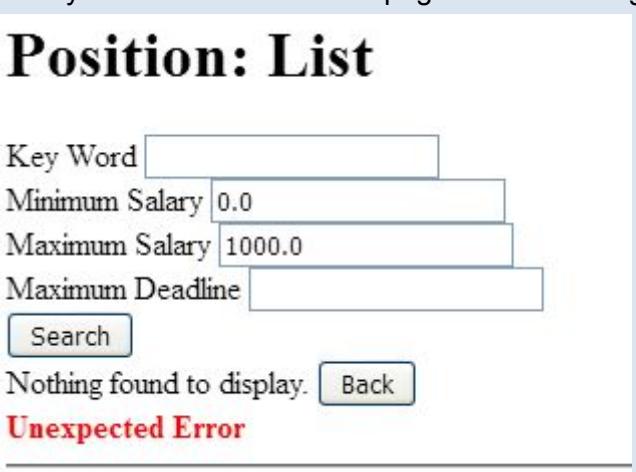

- On the log page: rookie1/rooke1 (username/password)
- Go to his/her finder

Tests

Test #1	
Description	The filter form must be filled in with the following data: Minimum Salary : 0, Maximum Salary : 1000 and hit in search's button.
Expected	The system back to the same page but now with the position/s that match with the finder.
Outcome	The results have been as expected.
Notes	Note that the column "Company" refers to the attribute "Comercial Name" of the companies.

Test #2

Description	<p>Try to break the security doing post hacking. Inspect the element (normally push F12 on the keyboard) and modify the finder id with the finder id of another actor.</p>
Position: List	
	<p>Then, close the panel and push the search button.</p>
Expected	<p>The system back to the same page with a message error:</p>
	
Outcome	<p>The results have been as expected.</p>
Notes	<p>We are not sure about if the id used as finderId of another rookie can be the same for you. We recommend you search another id that you know that is another finderId.</p>

Use Case UC18 Actor creates social profile

Description

An actor who is authenticated must be able create social profiles.

Access

- Login as rookie1/rookie1.
- Click on “Profile” button

The screenshot shows the Acme Rookies website. At the top, there is a navigation bar with links: ROOKIE, COMPANIES LIST, POSITIONS LIST, PROVIDERS LIST, ITEMS LIST, and PROFILE (ROOKIE1). The main content area features the Rookies logo and the word "Rookies".

- Select a message and click on “Display” button. For example, this:

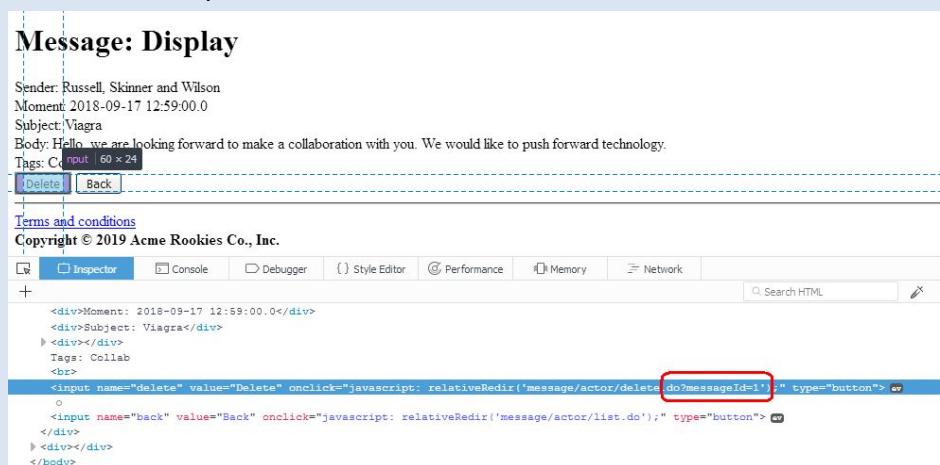

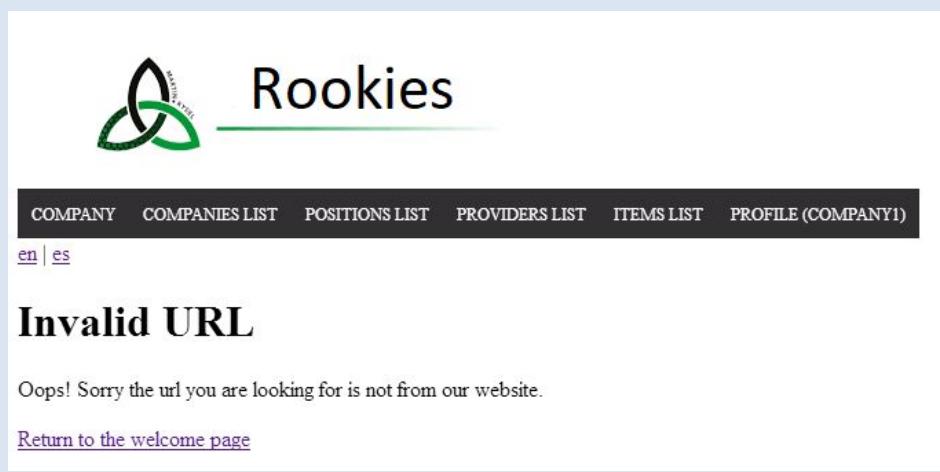

The screenshot shows the Acme Rookies message list page. At the top, there is a navigation bar with links: COMPANY, COMPANIES LIST, POSITIONS LIST, PROVIDERS LIST, ITEMS LIST, and PROFILE (COMPANY1). Below the navigation bar, there is a language selector (en | es) and a section title: "Message: List". Underneath, there is a heading "Message pool" and a message count: "2 items found, displaying all items." Below this, there is a table listing two messages. The table columns are: Sender, Recipient, Moment, Subject, Body, and Tags. The first message is from Wallace Inc to Russell, Skinner and Wilson, dated 2018-09-17 at 12:52:00.0, with the subject "Collaboration" and body "Hello, we are looking forward to make a collaboration with you. We would like to push forward technology." The second message is from Russell, Skinner and Wilson to Petty, Sanchez and Davis, dated 2018-09-17 at 12:59:00.0, with the subject "Viagra" and body "Hello, we are looking forward to make a collaboration with you. We would like to push forward technology." The "Tags" column for the second message contains the word "Collab" and a "Display" button, which is highlighted with a red box.

Sender	Recipient	Moment	Subject	Body	Tags
Wallace Inc	Russell, Skinner and Wilson	2018-09-17 12:52:00.0	Collaboration	Hello, we are looking forward to make a collaboration with you. We would like to push forward technology.	Collab Display
Russell, Skinner and Wilson	Petty, Sanchez and Davis	2018-09-17 12:59:00.0	Viagra	Hello, we are looking forward to make a collaboration with you. We would like to push forward technology.	Collab Display

Tests

Test <#1>	
Description	When you are seeing “Display” view ,click the delete button.
Expected	The system must redirect you to the list of messages. Now you can see that this message is not in this list. 
Outcome	The outcome matches with expected result
Notes	

Test <#2>

Description	<p>When you are seeing “Display” view ,click the delete button with right button of mouse. Then you can see a window for inspect an element. In this new window change the value of id message to a not-existent value, for example “1”</p> 
Expected	<p>The system must redirect you to a view where says you that this id is not valid.</p> 
Outcome	<p>The outcome doesn't correspond to expected result.</p> 
Notes	

Use Case UC22 Administrator sends broadcast message

Description

An actor who is authenticated as administrator must be able send a broadcast message to the rest of actors.

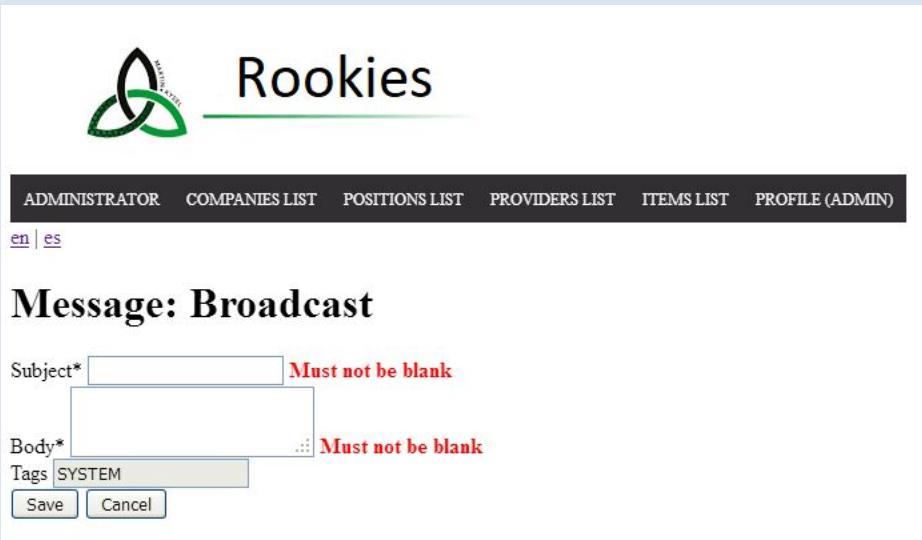

Access

- Login as admin/admin.
- Click on “Broadcast” button

Tests

Test <#1>	
Description	When you are seeing “Create message” view, fill the form fields with this data: Subject: test Body: This is a test Click the save button .
Expected	The system must redirect you to welcome page and the new message is in system list of every actor.
Outcome	The outcome is equals to expected result.
Notes	

Test <#2>

Description	When you are seeing “Create message” view, fill the form fields with all empty
Expected	<p>The system must show some errors messages saying that the fields must not be empty</p> 
Outcome	The outcome matches with expected result.
Notes	

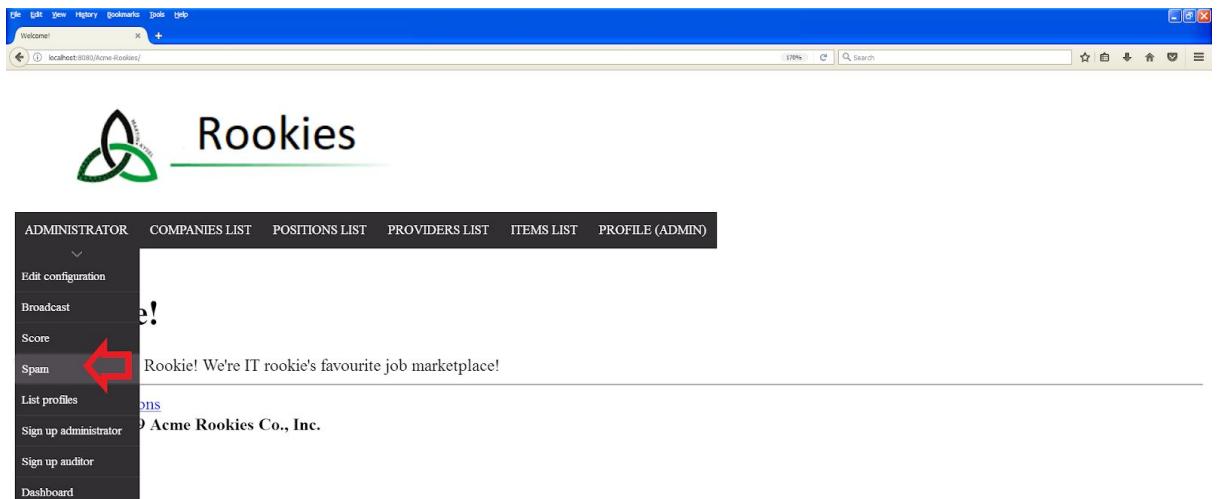

Use Case UC23 Administrator bans or unbans spammer

Description

An actor who is authenticated as a administrator must be able ban or unban an actor with the spammer flag.

Access

- Login as admin/admin.
- Click on “Spam”.

The screenshot shows the Rookies application's interface. At the top, there is a navigation bar with links: ADMINISTRATOR, COMPANIES LIST, POSITIONS LIST, PROVIDERS LIST, ITEMS LIST, and PROFILE (ADMIN). Below the navigation bar is a sidebar menu with the following items: Edit configuration, Broadcast, Score, Spam (which has a red arrow pointing to it), List profiles, Sign up administrator, Sign up auditor, and Dashboard. The main content area displays a message: "Rookie! We're IT rookie's favourite job marketplace!". Below this message, there is a section titled "Acme Rookies Co., Inc." which lists five providers: provider1, provider2, provider3, provider4, and provider5, all marked as "Unbanned".

- Click on “Find spammer” (english version) or “Encontrar” (spanish version).

36 items found, displaying 1 to 5.
[First/Prev] [1](#), [2](#), [3](#), [4](#), [5](#), [6](#), [7](#), [8](#) [Next/Last]

Username	Spammer	Ban status	Ban
provider1	N/A	Unbanned	
provider2	N/A	Unbanned	
provider3	N/A	Unbanned	
provider4	N/A	Unbanned	
provider5	N/A	Unbanned	

[Find spammer](#) [Cancel](#)

- Click on the link of the third page.

36 items found, displaying 11 to 15.
[First/Prev] [1](#), [2](#), [3](#), [4](#), [5](#), [6](#), [7](#), [8](#) [Next/Last]

Username	Spammer	Ban status	Ban
auditor5	N/A	Unbanned	
admin	N/A	Unbanned	
admin2	N/A	Unbanned	
company1	Spam	Unbanned	Ban
company2	N/A	Unbanned	

Tests

Test <#1>																									
Description	Ban company1.																								
Expected	<p>The system back to the actor list and now allows to unban company1.</p> <p>36 items found, displaying 11 to 15. 2019/05/03	This is a sentence; many sentences are a paragraph.										
Outcome	The expected results have been obtained.										
Notes											

Test #2

Description	<p>When you are seeing the list of available positions to audit, click on the "Audit" button, of the position 3 for example. Now fill the form fields with this data:</p> <p>Text: 'This is a sentence; many sentences are a paragraph.'</p> <p>Score: '11.0'</p> <p>Final mode: No final.</p> <p>Click the save button.</p>
Expected	<p>The system must show an error due to the score should be in a range.</p>  <p>The screenshot shows a window titled "Audit". Inside, there is a text area containing the text "This is a sentence; many sentences are a paragraph.". Below this is a "Score*" input field containing "11.0", which is highlighted in red with the error message "Too large (max = 10)" displayed next to it. There is also a "Final Mode" dropdown set to "No Final" and two buttons: "Save" and "Cancel".</p>
Outcome	<p>The expected results have been obtained.</p>
Notes	

Use case UC28 Auditor edits and deletes audits

Description

An actor who is **authenticated** as an Auditor must be able to edits and deletes his or her audits. The actor should hit on “My audits” button to see the list of his or her audits. Then he or she should click on the “Display” button of the audit that he or she wants to edit or delete (the audit must have false ‘Final mode’ to be modify). Finally he or she should click on the “Edit” button.

Access

- Login as Auditor: auditor1/auditor1
- Hit on “My audits” button and you should see the list of your audits

The screenshot shows the Acme Rookies website. At the top is a navigation bar with links: AUDITOR, COMPANIES LIST, POSITIONS LIST, PROVIDERS LIST, ITEMS LIST, and PROFILE (AUDITOR1). A dropdown menu for 'AUDITOR' is open, showing options: Assign position, My positions, and My audits. The 'My audits' option is highlighted with a red arrow. Below the navigation is a large green banner with the text 'Rookies' and a green logo. Underneath the banner, a message reads: 'Acme Rookie! We're IT rookie's favourite job marketplace!' At the bottom of the page are links for Terms and conditions and Copyright © 2019 Acme Rookies Co., Inc.

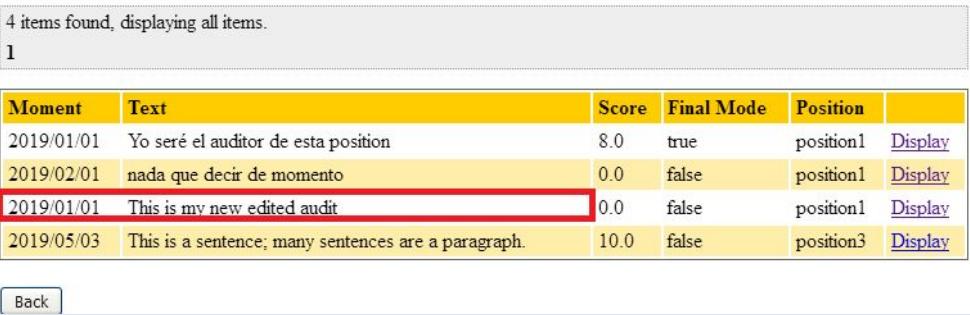

- Hit on “Display” button of the audit you want to edit or delete

The screenshot shows a 'List audit' page. It displays a table with three rows of audit data. The first two rows are normal, while the third row is highlighted with a red box and a red arrow points to the 'Display' button in the last column. The table columns are: Moment, Text, Score, Final mode, Position, and a final column containing the 'Display' link. The third row's 'Text' column contains the Spanish sentence 'Yo puedo que sea el auditor de esta posición'.

Moment	Text	Score	Final mode	Position	
2019/01/01	Yo seré el auditor de esta posición	8.0	Yes	position1	Display
2019/02/01	nada que decir de momento	0.0	No	position1	Display
2019/01/01	Yo puedo que sea el auditor de esta posición	0.0	No	position1	Display

- Hit on “Edit” button

Tests

Test #1	
Description	Before that you should see in the list of audits, all of your audits. When you are seeing the “Display” view of your audit (with false ‘final mode’). Click on Edit button and change the Text field to: ‘This is my new edited audit’ Click the save button.
Expected	The system must redirect you to the list of your audits. Now you can see your new audit edited correctly. List audit  [Back]
Outcome	The expected results have been obtained.
Notes	

Test #2	
Description	When you are seeing the “Display” view of your audit (with false ‘final mode’). Click on Edit button and change the Score field to: 11.0 Click the save button and you should see an error about the range of the score. Finally click on the Cancel button.
Expected	The system must redirect you to the list of your audits correctly
Outcome	There is a bug. The system redirects you to the welcome page
Notes

Tests

Test <#1>	
Description	When you are seeing “Create item” view, fill the form fields with this data: Name: Item test Description: Item for test Link: http://itemTest.com Click the save button
Expected	The system must redirect you to the list of items. Now you can see the new item created correctly.
	 <p>The screenshot shows the Rookies application's Item List page. At the top, there is a navigation bar with links: PROVIDER, COMPANIES LIST, POSITIONS LIST, PROVIDERS LIST, ITEMS LIST, and PROFILE (PROVIDER). Below the navigation bar, there is a language selection: en es. The main content area is titled "Item: List". It displays a message: "6 items found, displaying 6 to 6" and a pagination link "[First/Prev] 1 [Next/Last]". Below this, there is a table with two columns: "Name" and "Link". A single row is visible, containing "Item test" and "http://itemTest.com". To the right of the "Link" column, there are "Display" and "Edit" buttons. At the bottom of the table, there are "Create" and "Back" buttons.</p>
Outcome	The result expected have been obtained.
Notes	

Test <#2>	
Description	When you are seeing “Create item” view, get the form fields empty Click the save button
Expected	The system must show an error due to these fields must not be blank  <p>The screenshot shows the Rookies website's 'Create item' form. At the top, there is a navigation bar with links: PROVIDER, COMPANIES LIST, POSITIONS LIST, PROVIDERS LIST, ITEMS LIST, and PROFILE (PROVIDER1). Below the navigation bar, there are two language links: en es. The main content area is titled 'Item:' and contains four input fields with validation errors:</p> <ul style="list-style-type: none"> Name*: A text input field with the placeholder 'Name*' is highlighted in red with the error message 'Must not be blank'. Description*: A text input field with the placeholder 'Description*' is highlighted in red with the error message 'Must not be blank'. Link*: A text input field with the placeholder 'Link*' is highlighted in red with the error message 'Must not be blank'. Pictures: A text input field with the placeholder 'Pictures http(s)://www._____,http(s)://www._____,...' <p>At the bottom of the form are two buttons: 'Save' and 'Cancel'.</p>
Outcome	The result expected have been obtained.
Notes	

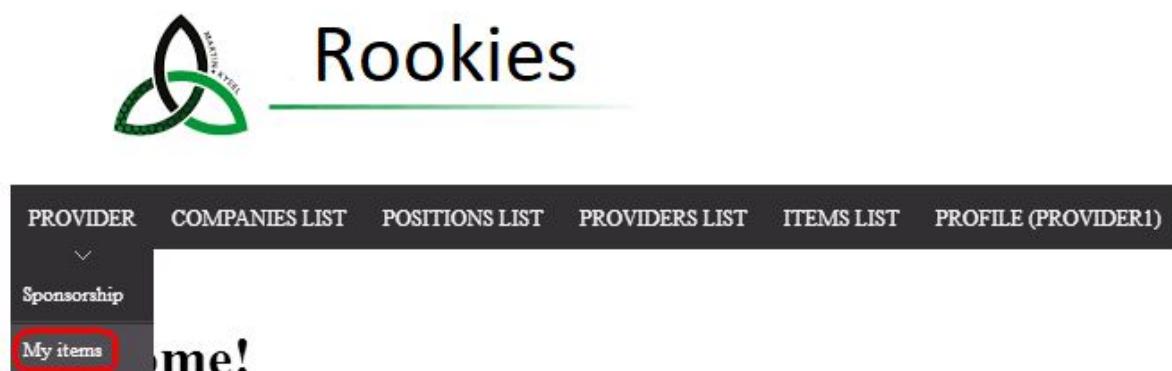

Use Case UC34 Provider edits item

Description

An actor who is authenticated as provider must be able edit items.

Access

- Login as provider1/provider1.
- Click on “My items” button

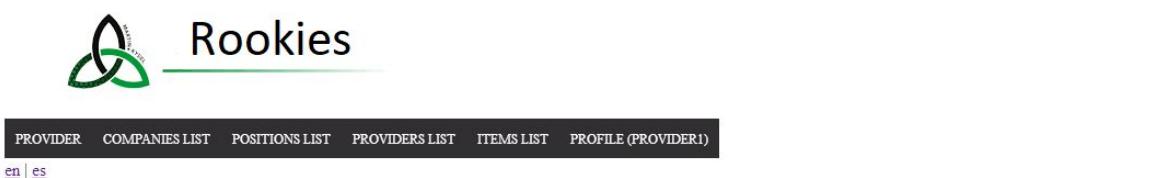

The screenshot shows the Acme Rookies website. At the top is a black navigation bar with white text: "PROVIDER", "COMPANIES LIST", "POSITIONS LIST", "PROVIDERS LIST", "ITEMS LIST", and "PROFILE (PROVIDER1)". Below the navigation bar is a green logo consisting of three interlocking circles. To the right of the logo is the word "Rookies". Underneath the logo is a menu bar with "Sponsorship" and "My items" (which is highlighted with a red circle). Below the menu bar, the word "Home!" is visible. The main content area has a white background and contains the text "Welcome to Acme Rookie! We're IT rookie's favourite job marketplace!"

Welcome to Acme Rookie! We're IT rookie's favourite job marketplace!
